How to play

1. The correct number of **TEAPOTS** is written in the bottom right hand corner. Cut this off and hide it away so no one can see it. Remember to keep it safe!
2. Ask everyone to have a go at guessing how many **TEAPOTS** are on the sheet overleaf. Don't give them too long to look or count!
3. Ask them to donate **£2** per try and write their name and number they guessed below.
4. When everyone has had a go you can reveal the winner... The person who has guessed, or is closest to, the right number.
5. See if you can get a prize donated or use **up to £20** of the money raised as your prize.
6. Award the winner their prize and let everyone know how much the game has raised. Then sit back with a well-earned cuppa!
