# Somewhere Only We Know

Ooh...  
I knew the pathway like the back of  
my hand.

Ooh...  
Sat by the river and it made me  
complete.  
Ah...

someone to rely on.

Ah...  
I felt the branches of it looking at me.  
Ah...

Is this the place that I've been  
dreaming of?  
Ah...

someone to rely on.

I walked across an empty land,  
Ooh...

I felt the earth beneath my feet,  
Ooh...

Ah...

someone to rely on.

I came across a fallen tree,  
Ah...  
Is this the place we used to love?  
Ah...

Ah...

someone to rely on.

Ooh...

Ooh...

Oh simple thing,  
Where have you gone?  
I'm getting tired and I need  
someone to rely on.

Ah...

Ah...

Oh simple thing,  
Where have you gone?  
I'm getting old and I need  
someone to rely on.

## Chorus:

And if you have a minute  
why don't we go?  
- Talk,  
Somewhere only we know?  
Ah,  
End of ev'rything,  
Ah,  
1<sup>st</sup> time:  
Somewhere only we know.  
- only we know mmm.  
2<sup>nd</sup> time:  
Somewhere only we know?

Ah...

- simple thing,  
- have you gone?

Someone to rely on.  
So tell me when  
You're gonna let me in,  
I'm getting tired and I need  
Somewhere to begin.

## Chorus

- only we know mmm.

## Chorus:

And if you have a minute  
why don't we go?  
- Talk about it  
Somewhere only we know?  
'Cause this could be the  
End of ev'rything,  
So why don't we go  
1<sup>st</sup> time:  
Ah, we know.  
Somewhere we know mmm.  
2<sup>nd</sup> time:  
Somewhere we know?

Ah...

- simple thing,  
- have you gone?

Someone to rely on.  
So tell me when  
You're gonna let me in,  
I'm getting tired and I need  
Somewhere to begin.

## Chorus

Somewhere we know mmm.

## Chorus:
